

CONTROL ROOM SOLUTIONS

Seismically Qualified

Why SALTECH?

In partnership with Werner Elektrik — over 30 years of global experience and 200+ control-room installations. SALTECH delivers turnkey solutions tailored to your exact operational and regulatory needs.

What We Offer:

- **Mosaic Mimic Panels:** Premium polycarbonate tile systems, built for clarity, durability and long-term performance.
- **Workstations & Consoles:** Modular systems designed for flexibility, scale and ergonomic performance.
- **Operator Workstations (AURA Series):** Sit-stand options, fully integrated equipment, for control & monitoring tasks.
- **Video Wall Systems (Pyrotech PRIME-LED Series):** Mission-critical, 24/7 rated, ultra-bright visual systems with long lifespan.

SCAN ME

Specialised for demanding environments

From nuclear control rooms to industrial monitoring – we provide seismic-qualified structures & layouts designed for the toughest operational standards.

Let's work together

Partner with SALTECH. We're more than suppliers – we're your engineering ally delivering performance, safety and reliability.
